Mount St. Joseph Academy

Mount St. Joseph Academy Mission Statement

"Our mission is to provide a personal, Catholic school community in the heart of Vermont. Founded by the Sisters of St Joseph, Mount St. Joseph focuses on the education of the whole person by integrating spiritual development, academics, extra-curricular activities, and community service into everyday life. Inspired by the Holy Spirit, Mount St. Joseph students are self-confident and resolute. Our mission is to create a just world."

Letter from the Principal

Class of 2017:

Theodor Seuss Geisel said, "Don't cry because it is over. Smile because it happened." There is not a more fitting quotation to describe the time that the class of 2017 spent at Mount Saint Joseph Academy. You are a very special class my dear graduates, for many reasons. You are a talented and smart class. You are a faith-filled class. You are a spirited class. You are a funny class. You are a beloved class. For all of these reasons, you will be missed.

You are a very talented and smart class. There are so many of you that have accomplished so many different and incredible achievements. In your four years at MSJ, your class has brought home to 127 Convent Avenue three State Championships, a Vermont Business Entrepreneur of the year, a State High School Heisman winner, a Student of the Quarter, an award-winning actor and stage manager, countless amazing performances in quarterfinal and semi-final games for many different sports, two Cross Country MVL championships, four trophies from the John Werner Tournament and countless Honor Roll and High Honor Roll recognitions. These achievements speak volumes about each and every one of you and what you are capable of achieving in your future.

You are a faith-filled class. Your class is very spiritual. This is obvious in the way in which you practiced your faith daily in chapel. You've held strong to your religious beliefs, and you've spread the good news in word and in deed. Many of you have lead the Campus Ministry program over the past four years, preparing for Masses, hosted retreats, raising money for special causes, and donating your time and energy to the community in countless ways. You have ro modeled for those around you to not only listen to the word of Christ but to also live it in the way in which you treat each other and those in the greater community. For this you are all to be commended.

The Class of 2017 is a spirited class. You have shown this again and again as you could be found clad in green and white, cheering on your peers at Saint Peter's Field, Abatiell Field, in the Marty McDonough Gymnasium, at cheering events, away games, and more. Your spirit has been felt in the hallways when decorating for Halloween or during Christmas when lockers were covered with Christmas themes to spread the joy of the holiday. Your spirit was evident during Project Help as you planned and executed the many tasks necessary to make the project a success, providing Christmas dinner to hundreds of members of our community in need. This spirit has been such a wonderful component to your class as a whole.

You are a funny class. You could always be counted on to bring a smile and a laugh to those around you. Whether it is the silly names you have for each other, your hilarious interactions or the jokes you tell, it has been enjoyable to see yo all bring joy to those around you.

Most of all my dear graduates, you are a beloved class. Your teachers, coaches, directors and the underclassmen speak highly of each and every one of you. You have meant so much to so many in our community. MSJ will truly not be the same without you. We all look forward to the many successes that are sure to come to you all as you venture out into t world; you will surely make the same impression out there that you did here in your time at MSJ. Please be sure to vis us as frequently as possible! You now join a vast number of proud Mountie alumni worldwide.

I wish each of you all the joy, happiness and success that life has to offer. Always remember, "If you can imagine it yo can create it. If you dream it you can become it."

May God Bless you,

Mrs. Sarah M. Fortier

Class of 2017 Yearbook Dedication

"Every child deserves a champion – an adult who will never give up on them, who understands the power of connection and insists that they become the best that they can possibly be."
– Rita Pierson

Mr. Phil Hall has been part of the Mount St. Joseph Academy family for three years, and with each year, he takes on more responsibilities. He has embraced his many roles as a science teacher, football coach, Dean of Students, Athletic Director, head of student government, and even an actor in the fall productions. He balances them all with energy and enthusiasm.

His upbeat personality and sense of humor create a fun learning environment for students and faculty alike. He easily connects with his students, understanding their struggles and does his best to help them on and off of the field. On the field, athletes look up to him both as a coach and as a mentor. Off the field, he is a support to both students and staff. He is always willing to lend an ear and go the extra mile for anyone. His creative way of thinking is one to look up to, and his drive to complete each job successfully is something to aspire to have.

This is why we feel it is best to dedicate our 2017 yearbook to Coach Hall, the one who accepts new projects and jobs with a smile and always looks out for each student. The Class of 2017 would like to thank you, Coach Hall, for all that you have done for us.

"I don't make mistakes. I go through phases allowing me to become a better version of myself."
-Anonymous

I leave the slurping sound I make to Steve Descollines.

Letter From the Editor

Dear MSJ Community,

As J.K. Rowling once wrote, "We've all got both light and dark inside us. What matters is the part we choose to act on. That's who we really are" - *The Order of the Phoenix*. Mount Saint Joseph Academy helps students find who they really are and gives them the chance to rise to their true potential.

MSJ takes pride in pushing the students to do the absolute best they can. In my time at MSJ, I learned valuable life lessons from many of the teachers, one of which really stuck with me. I remember in my third year here, I tried to switch out of a difficult class. I talked it over with the teacher, and he told me that, although I could drop the class, if I tried my hardest, I would not fail; and he was right. Although I struggled a lot that year, I never failed an assignment. All I needed was one person to believe in me, for me to accomplish great things. Although that was just a class in school, I know it applies to all aspects of life. If someone is there to believe in you, whether it is yourself or someone else, anything can be accomplished.

My experience at MSJ also helped me understand that one can find friends in the least-expected places. As I look back at my life here at MSJ, I realize how many friends I have just because I stepped out of my comfort zone and tried new activities. MSJ gave me the opportunity to branch out without being scared of rejection. I could try any sport, take any class, or join any club and although I may be no good at first, I still had the chance and with that chance came hope that I could do anything I set my mind to.

As I say goodbye to this chapter of my life, I can only be thankful for having been a part of the MSJ community. To the teachers, thank you for believing in all the students. To my coaches, thank you for pushing me to become the athlete I am. To the students, good luck, wherever you end up; remember not to forget to live for today. And to the parents, thank you for giving your children the opportunity to experience all that MSJ has to offer.

Sincerely,
Mackenzie C. Traska
